

No Running Cars In Parking Lot

The State of Wisconsin has ruled that it is a hazard to children when cars are left running while children are dropped off and picked up in winter and summer. We are informing you of this in writing and will post it as well. We agree with this and will enforce it as necessary.

Illness

For the health and safety of all the children in our care, children who are displaying symptoms of illness including, but not limited to, vomiting, diarrhea, 101 degree fever, unknown rash, etc, should not attend school and will be sent home if these symptoms arise. You or an emergency contact are expected to pick up your child within one hour of our call. If we find a family is consistently refusing to cooperate, discontinuation of care may occur.
