

WASP Field Trip T Shirt Order Form

As a safety precaution, all WASP children are required to purchase a matching tie-dye shirt for use on all summer field trips. The shirts will be kept at WASP throughout the summer and sent home at the end of summer.

The cost for each shirt is \$10.

Please specify which size your child wears and we will provide you with a shirt of your specified size, or of the next closest size available. Shirts may run a little smaller being pre-shrunk and tie-dyed.

Please return this completed form along with your registration paperwork. Your t shirt fees will be added to your child care account.

Thank you,

Homestead Learning Center LLC
